From the Executive Director

Hannah Hammond-Hagman

March is one of my favorite months at CAC, and this year is absolutely no exception. Our galleries are filled with the beautiful works of our Duneland Schools' young artists kindergarten through high school in a celebration of their talent and creativity. The receptions fill our space with proud families that have watched their kids grow via these exhibits, and the art center is proud to be an important touchpoint for this annual tradition.

We are gearing up for a very busy Spring here at CAC, including so many new classes and workshops, the return of our annual Art After Dark gala fundraiser—which will be a wonderful evening—and some beautiful exhibits in the upcoming months. Stay closely tuned so you don't miss a thing, and we look forward to seeing you as always.

Welcome Bonnie Hawksworth and Kevin Nevers to our Board of Directors!

CAC is thrilled to announce that Bonnie Hawksworth and Kevin Nevers have joined CAC's board and will bring their varied talents and skills to continue our mission of building access to the arts and arts education for our community. Bonnie's extensive experience in planning and development and Kevin's background in journalism and public affairs will help lead CAC into the next phases of our future plans, and we are grateful for their dedication and commitment.

CAC is a vibrant hub that envisions an inclusive community where art and arts education are championed, where artists and creatives thrive, and where people connect through the arts. Your support builds access to all that CAC offers.

Exciting Donation Match Opportunity

Help us meet the challenge!

An anonymous donor has offered an amazing opportunity of a one-to-one match up to \$2,500.00 for all donations received between now and March 31, 2023. Double your gift's impact by giving now to Chesterton Art Center. You can visit our website and donate safely online, mail your gift, or give us a call. These matched gifts will support CAC's Teen Arts Group (TAG) and our Family Arts Days program in 2023. TAG is a free program

serving passionate teen artists from five regional schools with monthly professional arts experiences, technique workshops with professional artists, and local exhibition and public art opportunities. Our free Family Arts Days invite kids and their favorite grown ups into our galleries and classrooms for some collaborative creative time looking at and making art. Your donation now will double your gift to support these important outreach programs that create access to the arts in our community.

Youth Arts Outreach Program

This past month, the fourth session of CAC's 25-week Youth Arts Outreach Program began at the Duneland Boys & Girls Club and YMCA as students explored the topic of Worldly Foods. With guidance from teaching artist Emily Blossom, students will learn all about eats and treats from around the world as they create clay sushi, print with vegetables, and design their very own restaurant mockup.

The final session begins April 4 and highlights the topic of 'Earth Day is Everyday' as students explore projects inspired by nature's surroundings.

The Youth Arts Outreach Program supports CAC's mission of creating accessible, enriching arts programming for our community. CAC's outreach program, in partnership with Duneland Boys & Girls Club and the YMCA, is generously funded by 1st Source Foundation.

TAG! Teen Arts Group

This past month, Teen Arts Group (TAG) celebrated the opening of their exhibition titled *Reality's Edge* at Red Cup Cafe, showcasing the work of ten local high school artists from four regional schools. *Reality's Edge* gives insight to the way each artist interprets the world around them, and their art becomes an outward expression of their inner thoughts.

The exhibit is on display until March 30, so be sure to stop by and enjoy their work! Special thanks to Red Cup Cafe for making this happen.

This month, TAG artists will finalize plans for their public art project at Chesterton Park and attend IUN's Teen Arts Summit.

Next TAG Meeting at CAC:
Wednesday, March 8, 2023 - 4:30-6:30 PM

CAC's Teen Arts Group (TAG) is a free monthly program for passionate teen artists interested in pursuing professional arts experiences and strengthening their own visual art practices. TAG members learn from one another as well as professional artists, explore area and Chicago museums and galleries, and work on individual portfolio development. TAG also offers access to various community engagement and exhibition opportunities.

Interested artists can contact programs@chestertonart.org.

Youth Art Classes

Afterschool Art Classes

Afterschool Art Classes are offered every month from September-May for ages 5-16. During each 4-class monthly session, students will explore an arts-related theme, topic, or movement through a wide variety of 2D media such as watercolor, pastel, graphite, acrylic, or printmaking.

Because each monthly session offers a different theme and set of projects, families are welcomed to register for one session, a few, or the whole year!

Tuition for each 4-week session is \$90 for non-members and \$81 for current CAC Family Members. *All supplies provided.*

The March sessions of Afterschool Art are instructed by Jen Aitchison and will focus

on American Modernism. American Modernist artists Jacob Lawrence and Georgia O'Keeffe both painted beautiful abstractions of American subjects that called attention to the things they cared about. Students will enjoy creating an abstracted view of something familiar to them by focusing on composition and blowing up the subject matter in their final piece. Lots of sketching and blended painting techniques will be incorporated.

Class Schedule | Select the age group/day that suits your artist

Ages 8-12 | (3-class prorated session) Monday, Mar 6-20 from 3:30-5 PM

Ages 5-8 | Tuesday, Feb 28-Mar 21 from 3:30-5 PM

Ages 5-8 | Wednesday, Mar 1-22 from 3:30-5 PM

Ages 8-12 | Thursday, Mar 2-23 from 3:30-5 PM

Ages 12-16 | Thursday, Mar 2-23 from 5:30-7 PM

Preschool Pop-In Classes

Preschool Pop-Ins are offered on the 2nd Tuesday of each month from 10-11:30 AM and are recommended for ages 3-5. With instruction from Jen Aitchison, young artists will focus on the development of fine motor skills through creative arts learning experiences. Each class will focus on a unique theme that highlights color, shape, cutting, building, or painting. Parents and/or caregivers are encouraged to stay & create together with their young artist.

Because each monthly session offers a different theme and special project, families are welcomed to register for one session, a few, or the whole year!

Tuition for each 1-class session is \$30 for non-members and \$27 for current CAC Family Members. All supplies provided.

The March Preschool Pop-In session meets on Tuesday, March 14 from 10-11:30 AM and is recommended for ages 3-5.

This month's Pop-In will focus on flowers! With an influence from nature, students will study patterns and shapes they find in flowers as they create beautiful pieces inspired by Georgia O'Keeffe, the master of close-up flowers.

In April, students will focus on playful painting techniques as they learn about Abstract Expressionist Jackson Pollock.
