# From the Executive Director

Hannah Hammond-Hagman

As we enter a month of gathering and gratitude, I find it very easy to write about both when thinking about CAC. It's been a wonderful year of events and programs that have brought us together to learn, create, and share joy. We are so grateful to be surrounded by such a connected community that celebrates our exhibits, shops to support local artists, holds CAC memberships, creates in our classrooms, and simply spends some time with us.

I am also very grateful for this amazing team that makes CAC vibrant and alive through their dedication and passion. We continue to grow the center's mission and accomplish our strategic goals to serve more and more of our community thanks to their hard work—and we are having fun doing it!

I hope you'll visit this wonderful exhibit featuring the local artists of the Duneland Photography Club, join us for a class or workshop with your loved ones, do some early holiday shopping with us, and consider an end-of-year gift to support CAC and our work. We look forward to seeing you soon!

In gratitude,  
Hannah

# Youth Arts Outreach 25-week Program Starts Session Two

In October, CAC's 25-week Youth Arts Outreach Program in partnership with the Duneland Boys & Girls Club and the Duneland Family YMCA began the second 5-week session highlighting the topic "Makers and Media".

With guidance from CAC instructor Emily Blossom, students will experiment with a variety of media including watercolor, pastel,

sculpture, and collage as they create projects inspired by famous artists including Yayoi Kusama, Louise Nevelson, and Hannah Höch.

The Youth Arts Outreach program supports CAC's mission of creating accessible, enriching arts programming for our community and is generously funded by Cleveland-Cliffs Foundation.

## CAC kicks off new partnership with Portage Township YMCA

This past month kicked off CAC's partnership with the Portage Township YMCA. We will be providing hands-on art lessons every other month throughout the school year to serve grades 3-5 in the Portage Y after school program. We're thrilled to now serve additional students in our Porter County community!

For the October lesson, CAC Outreach Instructor Emily Blossom guided students as they learned about planet atmospheres and created one-of-a-kind space creatures.

Special thanks to the Portage Township YMCA for this wonderful partnership.

# TAG! Teen Arts Group

This past month, Teen Arts Group members had the special opportunity to visit the gallery of local artist Holly Jackson. Holly graciously shared her journey with members and explained her practice as a working artist. With inspiration running high, members returned to the Center to partake in studio time to build their portfolios.

Many thanks to Holly Jackson for letting us visit her beautiful space! Be sure to check out her gallery located at 103 S 2nd St. in downtown Chesterton.

This month, TAG members will enjoy a group critique, followed by a collaborative "create-it-forward" project.

Next TAG Meeting at CAC:  
Wednesday, November 8 from 4:30-6:30 PM

CAC's Teen Arts Group (TAG) is a free monthly program for passionate teen artists interested in pursuing professional arts experiences and strengthening their own visual art practices. TAG members learn from one another as well as professional artists, explore area and Chicago museums and galleries, and work on individual portfolio development. TAG also offers access to various community engagement and exhibition opportunities. *Interested artists can contact [programs@chestertonart.org](mailto:programs@chestertonart.org).*
