Our July Exhibit...

Regenia Chelf - An Artful Life

Regenia Chelf led a very artful life. A wife, mother of 3 girls, and seamstress, she sewed custom slipcovers and draperies for Marc T. Nielsen Interiors in the Suman Valley. It was there that she became friends with artists Konrad Juestel, Virginia Phillips, and Jan Sullivan, to name a few. She began to paint with them and others from the area, and delighted in discovering within herself whole new artistic abilities. As she grew as an artist, she painted in oils, acrylic, pastels, watercolor, on glass, and even painted her charming scenes of the Suman Valley on clothing and accessories.

Regenia left the area for awhile and lived in Zionsville, IN where she enjoyed serving as a tour guide at the Indiana State House. In her later years she relocated back to the Chesterton area, and in April of 2014 she passed away. Her daughters, Judith Essex of Zionsville, Indiana, Barbara Farley of Joplin, Missouri, and Jane Link of Chesterton, wanted to share their mother's art at the Chesterton Art Center where she was a member for many years. This retrospective exhibition of her work shows her growth as an artist, her love of the area, and her fearless use of color.

An Opening Reception will be held on Saturday, July 11 from 2 pm until 4 pm. Come and meet her daughters, and enjoy the wide expanse of work Regenia created throughout her life. The show will remain up through July 31st.

Art Fair Preview Show

Stop in and view some of our local Art Fair artist's work in our front gallery during the month of July. The 57th Annual Chesterton Art Fair will be held Saturday and Sunday August 1st and 2nd, 2015 at Hawthorne Park in Porter, IN. The hours of the fair are 10-5 each day and the admission charge is \$5 per person for the entire event.

The watercolor on the left was done by Munster artist Sally Hooker. Pottery pieces were done by Tom Cernius of Beverly Shores, who will be teaching ceramics at the Art Center starting on July 20.

Chesterton Art Center is dedicated to enriching the cultural landscape of the Northwest Indiana area by exhibiting the works of emerging and established regional artists. We emphasize the richness and diversity of art and endeavor to provide a continuous forum for art education in the community.

It's Almost Here!

The 57th Chesterton Art Fair

The Chesterton Art Fair is fast approaching. Committee members Judy Gregurich, Kathi Millett, and Marcia Casassa have been working hard planning for the best fair ever! Many new artists have been juried in. Some new features have been added this year to make your fair experience even more enjoyable. For example, the "Say YES to Art" Program will make its debut this year at the Art Fair. Sponsors of "Say YES to Art" make a monetary commitment, as little as \$100, and are able to choose a piece of original art. Other amenities are also offered as part of the package.

It takes many volunteers to make our fair happen. The Art Fair is a large part of the Art Center's operating budget for the next year. Won't you consider helping out? We have many small jobs that make a HUGE difference when done by a caring volunteer. Plus, you get to see the fair! Call the Art Center to find out what job will be the perfect fit for you.
