

## Call For Teachers – Party Instructors

The Chesterton Art Center is looking for art teachers to host birthday or other occasion parties for children ages 3-16. Parties last 2 hours long and include a painted canvas, plus a small craft.

Events are usually held on Friday evenings or on weekends. The maximum number of participants per party is 20, though most are in the 8-15 range. The instructor is responsible for prepping the classroom prior to the event and cleaning up afterwards, along with alerting the Art Center of required supplies beforehand. The instructor is not responsible for managing food, cake, gifts or specific decorations. Those elements of the party fall to the parents or guardians.

We're searching for fun, creative leaders who enjoy working with children in a variety of themes. Because each party will be different, the instructor must be flexible and open to ideas from the parents. The instructor must be able to communicate clearly with the office at the Art Center, notifying them of dates, times, and any unique requirements for the event. We offer competitive pay and provide all art supplies needed.

To ask questions or receive more details, applicants may contact the Chesterton Art Center at 219-926-4711 or [gallery@chestertonart.com](mailto:gallery@chestertonart.com). All applicants are asked to submit a resume, including relevant work experience. A sample of prior students' work is suggested, but not required.

The Chesterton Art Center is located at 115 S. 4th St., Chesterton, IN 46304. To see a full overview of the organization, check out the website at [www.chestertonart.com](http://www.chestertonart.com).
